

Tools I keep in my inside toolbox!

Hammer
Nail set
Various sizes of nails
Standard {Flat} screw driver
Fluted {Phillips} screw driver
Various sizes of screws
Ratcheting screwdriver and bits
Pliers regular
Pliers needle nose
Wire cutters
Small spool of wire
Scissors
Vice grip
Measuring tape
12 inch metal ruler
Combination square
Adjustable wrench
Hand stapler and staples
Box cutter
10 foot extension cord with ground plug
Small Level
Pencil
China marker {I called them a grease pencil, you sharpen by removing the rolled outer paper, a color crayon works find too}
Black marker
Gloves
Goggles
Sandpaper
Small drill
Drill bits
Small hand saw {mine is 11"}
Duct tape
Painters tape
Electrical tape
Paint brushes
Stud finder
Small flashlight
Small bottle of wood glue and super glue

I'm not a fan of plastic except for tool boxes. The metal one dad gave me is too heavy to carry after I fill it with all this stuff.
