

## Pink Stuff

- 1 angel food cake {cubed into 1 inch squares}
- 1 small package vanilla instant pudding
- 1 cup milk
- 2 cups vanilla ice cream softened
- 1 large package strawberry jello
- 1 1/2 cup boiling water
- 1 small package frozen strawberries or 1 pint fresh cut into small chunks

Add the cubed angel food cake into a large mixing bowl and set aside.

Dissolve strawberry jello with boiling water and add cut strawberries in medium mixing bowl. Set aside.

Whisk pudding and milk in another medium mixing bowl until blended well, then add softened ice cream and mix until blended.

Pour the strawberry mix into the pudding mix and stir.

Then pour the "pink stuff" over the cubed angel food cake and mix gently. Refrigerate overnight.
